

CONNECTING BUYERS

CONNECTING BUYERS AND SELLERS THROUGHOUT CALIFORNIA

Our local real estate market is greatly influenced by the greater San Francisco Bay Area, as well as Sacramento, Los Angeles and San Diego. It is quite likely that some of the best buyers for your home aren't in the Sacramento area – they're relocating from the Bay Area or Southern California. Our company sells more than 225 homes per day in those areas, and many of those home sellers become homebuyers in our area. Our ability to bring those buyers to your door truly separates us from the competition. With over 9,900 Coldwell Banker Sales Associates throughout California, odds are one of them is working with the future buyer of your home right now.
