

HELPING OTHERS...IT'S WHAT WE DO

Few professions are as directly connected to their communities as real estate. By bringing families and homes together, real estate professionals work at the very heart of family life – the place where community truly begins. Coldwell Banker has always cared deeply about giving back to our communities and is known for its work with a range of caring causes.

Coldwell Banker Northern California is a proud sponsor of Habitat for Humanity, a nonprofit organization dedicated to eliminating poverty housing worldwide. Since 1993, Coldwell Banker has made substantial donations to this organization, whose volunteers work to build simple, affordable housing in partnership with those who need them and has sponsored the construction of Habitat for Humanity homes in Northern California. Our Sales Associates, Managers and staff volunteer their own personal time to help build these homes alongside the deserving homeowners.

Through a grass roots fundraising campaign initiated by our organization over the past five years, Coldwell Banker Northern California has raised over \$500,000 for local Habitat for Humanity chapters. In recognition of these efforts, our company has been honored internationally by Coldwell Banker Corporation with the coveted Golden Hammer Award for four consecutive years. The award honors Coldwell Banker companies for their fundraising efforts on behalf of Habitat for Humanity affiliates worldwide.
