

# COLDWELL BANKER NORTHERN CALIFORNIA

While strongly connected to the national organization, Coldwell Banker Northern California is managed locally and independently. Our focus has always been on the needs of our local communities. Coldwell Banker represents the top agents in the area supported by the strongest industry managers. The result is a team of experts who are committed to customer service and to the sale of your home. The Coldwell Banker Northern California network includes:

- 63 offices throughout Northern California
- More than 4,300 Sales Associates educated on the demographics, segmentation and advantages of the Northern California region
- #1 market share in the region
